

### Features

- High Ra > 90, high efficacy, high luminosity, SDCM < 3, make surroundings of high quality illumination
- Glare-free design, perfect light spot with precise cast, make surroundings of comfortable illumination
- Non-flicker design for superior surrounding lighting requirement
- Integral light housing for better heat dissipation, built-in driver for low-temperature operation
- Refined components and design, guarantee a long life span of over 40000 hours

CITIZEN COB

SDCM <3

8W/12W/15W

CRI 80/90

15°/24°/36°

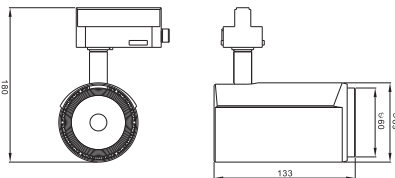

Color Black

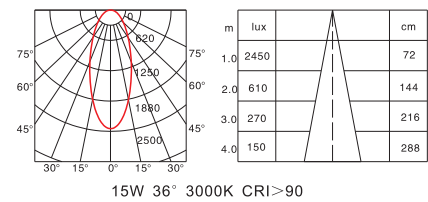

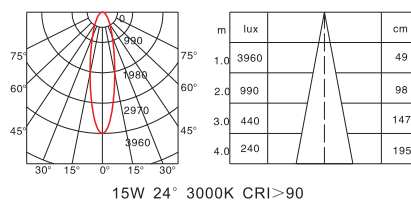

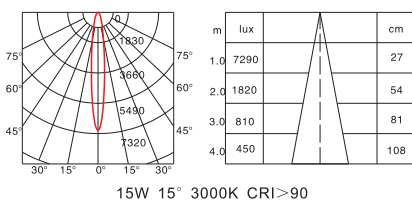

220-240V 50/60Hz

3 YEAR 3 Years Warranty
