

### Specifications

General Informations		Operating Temp	
Product Name	NEX Huge	Operating Humi.	-20°C to 50°C
Rated Power	24W,30W,40W Optional	Life Span	10% To 90%
Luminous Efficiency	>80 lm/W	Warranty	>50000 Hrs.
Luminous Flux	>1900lumen (24W) >2400lumen (30W) >3200lumen (40W)		3 Years*
Color Temp.	Warm white (3000K±300) Natural white (4000K±400) Cool white (6500K±500)	Electrical Informations	
CRI (Ra)	≥70	Driver	Included
IP Protection	IP65	Input Voltage	AC100-240V
Dimensions	450x472mm	Frequency	50/60Hz
Diameter for Pole	Ø60mm	Power Factor	≥0.95
Housing Material	Die-casting aluminum with powder coated	Total Harmonic(THDi)	≤10%
Diffuser material	MITSUBISHI anti-UV polycarbonate(PC)	Certificates & Test reports	
Housing Color	Black (Grey Optional)	Certificates	CE,RoHS
		Test Reports	LM80/TM21
