

Specifications

General Informations		Life Span Warranty	
Product Name	NEX Huge		>50000 Hrs.
Rated Power	24W,30W,40W Optional		3 Years*
Luminous Efficiency	>60 lm/W	Electrical Informations	
Luminous Flux	>1400 lumen (24W) >1800lumen (30W) >2400lumen (40W)	Driver	Included
Color Temp.	Warm white (3000K±300) Natural white (4000K±400) Cool white (6500K±500)	Input Voltage	AC100-240V
CRI (Ra)	≥70	Frequency	50/60Hz
IP Protection	IP65	Power Factor	≥0.95
Dimensions	380x840mm	Total Harmonic(THDi)	≤10%
Diameter for Pole	Ø48mm	Certificates & Test reports	
Housing Material	Die-casting aluminum	Certificates	CE,RoHS
Diffuser material	Polycarbonate(PC)	Test Reports	LM80/TM21
Housing Color	Bronze-coloured	Remark: The information contained in this document is subject to change without notice. * 18Hrs/Day	
Operating Temp	-20°C to 50°C		
Operating Humi.	10% To 90%		

CE RoHS
