

Specifications

General Informations	
Product Name	NEX Huge
Rated Power	24W,30W,40W Optional
Luminous Efficiency	>95 lm/W
Luminous Flux	>2250 lumen (24W) >2850lumen (30W) >3800lumen (40W)
Color Temp.	Warm white (3000K±300) Natural white (4000K±400) Cool white (6500K±500)
CRI (Ra)	≥70
IP Protection	IP65
Dimensions	450x200mm
Diameter for Pole	Ø60mm
Housing Material	Die-casting aluminum with powder coated
Diffuser material	MITSUBISHI anti-UV polycarbonate(PC)
Housing Color	Black (Grey Optional)

Operating Temp	-20°C to 50°C
Operating Humi.	10% To 90%
Life Span	>50000 Hrs.
Warranty	3 Years*

Electrical Informations	
Driver	Included
Input Voltage	AC100-240V
Frequency	50/60Hz
Power Factor	≥0.95
Total Harmonic(THDi)	≤10%

Certificates & Test reports	
Certificates	CE,RoHS
Test Reports	LM80/TM21
