

# NEX Illumi Table Lamp

## 6W

## Features

- Freely adjustable light angles
- Dimmer control
- USB port for mobile charge
- Touch switch
- Nightlight mode
- Patented design

## Specifications

|                   |                              |                       |                                     |
|-------------------|------------------------------|-----------------------|-------------------------------------|
| Model             | TL-06                        | Beam angle            | 120°                                |
| Code products     | TL-AL06-XX (Color: PW/PP/PB) | Input Voltage         | DC12V                               |
| Power consumption | 6W                           | Adapter input voltage | AC100-240V                          |
| LED Type LED      | 2835                         | Operating Temperature | -20 to 50°C                         |
| LED quantity      | 36PCS                        | Operating Humidity    | 10% to 80%                          |
| Power factor      | 0.5                          | Certifications        | CE, UL, RoHS                        |
| Luminous flux     | 400Lm                        | Main material         | PC                                  |
| Luminous efficacy | 68Lm/W                       | Emitting Color        | Pearl white/ Pearl pink/ Pearl blue |
| Intensity         | 1000Lux/ 30Cm                | Net weight            | 1.2KG                               |
| Wave length/CCT   | 2700-6500K                   | Lifetime              | 50000HRS                            |
| CRI               | ≥80                          |                       |                                     |
